

**Call for Papers**  
**Third Annual Graduate Interdisciplinary Conference on**  
**South Asia at UCLA**  
**April 20, 2018**

The Center for India and South Asia invites abstracts for presentation at the Third Annual Graduate Interdisciplinary Conference on South Asia at UCLA. This one-day conference aims to foster greater cross-disciplinary conversations amongst graduate student researchers and faculty working on South Asia at UCLA and other institutions in Southern California. This will be an opportunity for students at various stages to exhibit their work in an accessible manner to a broad multidisciplinary audience.

In an effort to attract a wide pool of applicants and encourage dialogue across fields, we welcome submissions from graduate students doing research in the social sciences, humanities, science and technology studies, public policy, or business programs. In lieu of panels, presentations will be in the form of individual talks (15-20 minutes with 10 minutes for questions). Please send a 250-word abstract, a title, three keywords, your departmental affiliation and any enquiries to [cisaconference2018@gmail.com](mailto:cisaconference2018@gmail.com).

The **deadline for abstract submissions is March 10, 2018**. Applicants will be notified of their acceptance by March 20, 2018.
